

# Flora and fauna identification list

As at 1 June, 2024

Queensland Hydro's ecologists have been undertaking field investigations to survey both the land (terrestrial) and water (aquatic) ecosystems to better understand what flora and fauna exist in the vicinity of the proposed Pioneer-Burdekin project site.

The surveys completed to date have identified hundreds of flora and fauna species which have been listed in the tables below. Flora and fauna surveys are season dependent and will continue to be carried out across the different seasons of the year.

The lists included below are not the final species list. We understand and acknowledge there will be more flora and fauna species that are yet to be found and verified by our team. We will publish updated species lists every 6 months (or more frequently if many new species have been identified during a survey event).

Species identified to date comprise:

- 195 fauna species, including:
  - 12 amphibians
  - 23 reptiles
  - 22 mammals
  - 126 birds
  - 8 fish
  - 4 crustaceans
- 346 plant species

It is likely that additional species, particularly aquatic species, will be identified through E-DNA samples which have been collected and submitted to a laboratory for processing. We will publish an updated species list when we receive this information.

For questions about our flora and fauna surveys, or more information on the species found to date, please contact our team on **1800 875 099** or via email at [pioneer-burdekin@qldhydro.com.au](mailto:pioneer-burdekin@qldhydro.com.au)

## Have you noticed any flora or fauna that you think might be of interest to our team?

We're interested to know what people are finding on their individual properties or on their daily travels. If you find something of interest:

1. Take a photo of the plant/animal
2. Note down the geolocation, date and time
3. Email the photo and information to our team at [pioneer-burdekin@qldhydro.com.au](mailto:pioneer-burdekin@qldhydro.com.au)

\*To find the geolocation of a photo, ensure 'location services' are turned on for your camera app (if using your phone). Download your photos onto a computer device, and right click 'Properties.' Select the 'Details' tab and scroll down until you see 'GPS', specifically the longitude and latitude details. Please note, you may also be able to download an app onto your phone to provide you with this information.

If you are not able to record the GPS coordinates with your device, please provide as much information as you can about the location where the photo was taken.

## How to interpret the information in the species tables below:

The species lists provide the scientific name of each species along with the classification under current state and commonwealth legislation, namely the *Nature Conservation Act 1992*, and the *Environment Protection and Biodiversity Conservation Act 1999*.

Common names have not been included for flora species – instead we have included the family name. This is common practice in ecological surveys and is done to avoid confusion because in some instances, more than one flora species may have the same common name, some flora species do not have a widely used common name, and some flora species may have more than one common name.

The 'location' column identifies the area in which the species has been found i.e. Netherdale for the proposed lower reservoir area, Dalrymple Heights for the proposed upper reservoir area, and Netherdale and Dalrymple Heights where the species has been found in both areas.

### **What do the letters and symbols in the 'Status' column mean?**

#### **The column labelled 'Qld' refers to Queensland conservation status:**

LC = species classed as 'least concern' under the *Nature Conservation Act 1992* (NC Act)

SLC = species classed as 'special least concern' under the NC Act

V = species classed as 'vulnerable' under the NC Act

NT = species classed as 'near-threatened' under the NC Act

E = species classed as 'endangered' under the NC Act

CE = species classed as 'critically endangered' under the NC Act

I = Introduced / exotic species

NL = non-local species, i.e. a Queensland species that is not native to the area

\*conservation status not included as field identification was to genus level (species-level identification is still pending)

#### **The column labelled 'Cth' refers to Commonwealth conservation status:**

V = Species listed as 'Vulnerable' under the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act)

E = Species classed as 'Endangered' under the EPBC Act

Mig = Species classed as 'Migratory' under the EPBC Act

# Fauna

Recorded during field surveys (up to 1 June 2024)

Scientific name	Common name	Status		Location
		Qld	Cth	
<b>Amphibians</b>				
<i>Limnodynastes peronii</i>	Striped marsh frog	LC		Both
<i>Litoria caerulea</i>	Green tree frog	LC		Netherdale
<i>Litoria chloris</i>	Orange-eyed tree frog	LC		Dalrymple Heights
<i>Litoria fallax</i>	Eastern sedge frog	LC		Both
<i>Litoria latopalmata</i>	Broad-palmed rocket frog	LC		Both
<i>Litoria wilcoxi/jungguy</i>	Stony creek frog	LC		Both
<i>Mixophyes fasciolatus</i>	Giant barred frog	LC		Both
<i>Platyplectrum ornatum</i>	Ornate burrowing frog	LC		Netherdale
<i>Pseudophryne major</i>	Major broodfrog	LC		Netherdale
<i>Rhinella marina</i>	Cane toad	I		Both
<i>Taudactylus eungellensis</i>	Eungella day frog	E	E	Both
<i>Taudactylus liemi</i>	Eungella tinker frog	NT		Dalrymple Heights
<b>Reptiles</b>				
<i>Boiga irregularis</i>	Brown tree snake	LC		Netherdale
<i>Carlia pectoralis</i>	Open litter rainbow skink	LC		Both
<i>Carlia rhomboidalis</i>	Blue-throated rainbow skink	LC		Both
<i>Carlia vivax</i>	Lively rainbow skink	LC		Dalrymple Heights
<i>Concinnia brachysoma</i>	Northern bar-sided skink	LC		Dalrymple Heights
<i>Concinnia amplus</i>	Lemon-barred forest-skink	LC		Both
<i>Cryptophis nigrescens</i>	Eastern small-eyed snake	LC		Netherdale
<i>Cryptoblepharus pulcher</i>	Elegant snake-eyed skink	LC		Netherdale
<i>Dendrelaphis punctulatus</i>	Green tree snake	LC		Both
<i>Gehyra dubia</i>	Dubious gecko	LC		Netherdale
<i>Hemidactylus frenatus</i>	Asian house gecko	I		Netherdale
<i>Hemiapsis signata</i>	Black-bellied swamp snake	LC		Netherdale
<i>Heteronotia binoei</i>	Bynoe's gecko	LC		Netherdale
<i>Intellagama lesueurii</i>	Eastern water dragon	LC		Netherdale
<i>Lampropholis delicata</i>	Delicate skink	LC		Netherdale
<i>Morelia spilota</i>	Carpet python	LC		Dalrymple Heights
<i>Oedura tryoni</i>	Southern spotted velvet gecko	LC		Netherdale
<i>Oxyuranus scutellatus</i>	Coastal taipan	LC		Netherdale
<i>Phyllurus nepthys</i>	Eungella leaf-tailed gecko	LC		Dalrymple Heights

Scientific name	Common name	Status	Location
<i>Saproscincus eungellensis</i>	Eungella shade-skink	V	
<i>Saproscincus hannahae</i>	Hannah's shadeskink	LC	Netherdale
<i>Tropidonophis mairii</i>	Keelback	LC	Dalrymple Heights
<i>Varanus varius</i>	Lace monitor	LC	Both
<b>Mammals</b>			
<i>Acrobates pygmaeus</i>	Feathertail glider	LC	Netherdale
<i>Aepyprymnus rufescens</i>	Rufous bettong	LC	Dalrymple Heights
<i>Canis familiaris</i>	Dog	I	Both
<i>Felis catus</i>	Feral cat	I	Netherdale
<i>Isoodon macrourus</i>	Northern brown bandicoot	LC	Both
<i>Melomys cervinipes</i>	Fawn-footed melomys	LC	Dalrymple Heights
<i>Ornithorhynchus anatinus</i>	Platypus	SLC	Both
<i>Perameles nasuta</i>	Long-nosed bandicoot	LC	Netherdale
<i>Pseudocheirus peregrinus</i>	Common ringtail possum	LC	Both
<i>Pteropus scapulatus</i>	Little red flying-fox	LC	Netherdale
<i>Rattus rattus</i>	Black rat	I	Both
<i>Sus scrofa</i>	Feral pig	I	Both
<i>Tachyglossus aculeatus</i>	Short-beaked echidna	SLC	Netherdale
<i>Trichosurus vulpecula</i>	Common brushtail possum	LC	Both
<i>Chalinolobus gouldii</i>	Gould's wattled bat	LC	Both
<i>Miniopterus orianae oceanensis</i>	Australasian bent-wing bat	LC	Dalrymple Heights
<i>Nyctophilus sp.</i>	Long-eared bat	LC	Dalrymple Heights
<i>Rhinolophus megaphyllus</i>	Eastern horseshoe bat	LC	Dalrymple Heights
<i>Scotorepens greyii</i>	Little broad-nosed bat	LC	Dalrymple Heights
<i>Chalinolobus nigrogriseus</i>	Hoary wattled bat	LC	Dalrymple Heights
<i>Vespadelus pumulis</i>	Eastern forest bat	LC	Dalrymple Heights
<i>Vespadelus troughtoni</i>	Eastern cave bat	LC	Both
<b>Birds</b>			
<i>Acanthagenys rufogularis</i>	Spiny cheeked honeyeater	LC	Netherdale
<i>Acanthiza pusilla</i>	Brown thornbill	LC	Dalrymple Heights
<i>Acanthiza reguloides</i>	Buff-rumped thornbill	LC	Netherdale
<i>Accipiter fasciatus</i>	Brown goshawk	LC	Netherdale
<i>Accipiter novaehollandiae</i>	Grey goshawk	LC	Dalrymple Heights
<i>Alectura lathami</i>	Australian brush-turkey	LC	Netherdale
<i>Alisterus scapularis</i>	Australian king-parrot	LC	Both
<i>Anas superciliosa</i>	Pacific black duck	LC	Both
<i>Anhinga novaehollandiae</i>	Australasian darter	LC	Netherdale

Scientific name	Common name	Status	Location
<i>Anthus novaeseelandiae</i>	Australian pipit	LC	Netherdale
<i>Aquila audax</i>	Wedge tailed eagle	LC	Netherdale
<i>Ardea ibis</i>	Cattle egret	LC	Both
<i>Ardea intermedia</i>	Intermediate egret	LC	Dalrymple Heights
<i>Artamus leucorhynchus</i>	White breasted woodswallow	LC	Netherdale
<i>Aythya australis</i>	Hardhead	LC	Dalrymple Heights
<i>Bolemoreus hindwoodi</i>	Eungella honeyeater	V	Dalrymple Heights
<i>Burhinus grallarius</i>	Bush stone-curlew	LC	Netherdale
<i>Cacatua galerita</i>	Sulphur-crested cockatoo	LC	Both
<i>Cacatua sanguinea</i>	Little corella	LC	Netherdale
<i>Cacomantis flabelliformis</i>	Fan-tailed cuckoo	LC	Dalrymple Heights
<i>Cacomantis variolosus</i>	Brush cuckoo	LC	Both
<i>Calyptorhynchus banksii</i>	Red-tailed black-cockatoo	LC	Both
<i>Carternornis leucotis</i>	White-eared monarch	LC	Netherdale
<i>Centropus phasianinus</i>	Pheasant coucal	LC	Both
<i>Ceyx azureus</i>	Azure kingfisher	LC	Dalrymple Heights
<i>Chalcites basalis</i>	Horsfield's bronze-cuckoo	LC	Netherdale
<i>Chalcites lucidus</i>	Shining bronze-cuckoo	LC	Dalrymple Heights
<i>Chalcites minutillus</i>	Little bronze-cuckoo	LC	Netherdale
<i>Chalcophaps indica</i>	Emerald dove	LC	Dalrymple Heights
<i>Chenonetta jubata</i>	Australian wood duck	LC	Both
<i>Cinnyris jugularis</i>	Olive-backed sunbird	LC	Both
<i>Cisticola exilis</i>	Golden-headed cisticola	LC	Netherdale
<i>Colluricincla harmonica</i>	Grey shrike-thrush	LC	Netherdale
<i>Colluricincla megarhyncha</i>	Little shrike-thrush	LC	Both
<i>Columba leucomela</i>	White-headed pigeon	LC	Netherdale
<i>Coracina novaehollandiae</i>	Black-faced cuckoo-shrike	LC	Netherdale
<i>Coracina papuensis</i>	White-bellied cuckoo-shrike	LC	Both
<i>Coracina tenuirostris</i>	Cicadabird	LC	Both
<i>Cormobates leucophaea</i>	White-throated treecreeper	LC	Both
<i>Corvus orru</i>	Torresian crow	LC	Both
<i>Cracticus tibicen</i>	Australian magpie	LC	Both
<i>Cracticus nigrogularis</i>	Pied butcherbird	LC	Netherdale
<i>Cracticus torquatus</i>	Grey butcherbird	LC	Netherdale
<i>Dacelo leachii</i>	Blue-winged kookaburra	LC	Netherdale
<i>Dacelo novaeguineae</i>	Laughing kookaburra	LC	Both
<i>Daphoenositta chrysoptera</i>	Varied sitella	LC	Both

Scientific name	Common name	Status	Location
<i>Dendrocygna eytoni</i>	Plumed whistling duck	LC	Netherdale
<i>Dicaeum hirundinaceum</i>	Mistletoebird	LC	Both
<i>Dicrurus bracteatus</i>	Spangled drongo	LC	Both
<i>Ducula bicolor</i>	Pied Imperial-pigeon	LC	Dalrymple Heights
<i>Edolisoma tenuirostre</i>	Cicadabird	LC	Both
<i>Egretta novaehollandiae</i>	White-faced heron	LC	Netherdale
<i>Entomyzon cyanotis</i>	Blue-faced honeyeater	LC	Netherdale
<i>Eolophus roseicapilla</i>	Galah	LC	Netherdale
<i>Eopsaltria australis</i>	Eastern yellow robin	LC	Both
<i>Eudynamys orientalis</i>	Eastern koel	LC	Both
<i>Eurystomus orientalis</i>	Dollarbird	LC	Dalrymple Heights
<i>Gallinago hardwickii</i>	Latham's snipe	LC	V, Mig Dalrymple Heights
<i>Geopelia humeralis</i>	Bar-shouldered dove	LC	Both
<i>Geopelia placida</i>	Peaceful dove	LC	Netherdale
<i>Gerygone olivacea</i>	White-throated gerygone	LC	Netherdale
<i>Gerygone mouki</i>	Brown gerygone	LC	Both
<i>Gerygone palpebrosa</i>	Fairy gerygone	LC	Dalrymple Heights
<i>Grallina cyanoleuca</i>	Magpie-lark	LC	Both
<i>Grus rubicunda</i>	Brolga	LC	Dalrymple Heights
<i>Haliastur sphenurus</i>	Whistling kite	LC	Netherdale
<i>Hirundo neoxena</i>	Welcome swallow	LC	Both
<i>Lalage leucomela</i>	Varied triller	LC	Dalrymple Heights
<i>Leucosarcia melanoleuca</i>	Wonga pigeon	LC	Netherdale
<i>Lichenostomus flavus</i>	Yellow honeyeater	LC	Both
<i>Lichmera indistincta</i>	Brown honeyeater	LC	Netherdale
<i>Lonchura castaneothorax</i>	Chestnut-breasted mannikin	LC	Both
<i>Lopholaimus antarcticus</i>	Topknot pigeon	LC	Dalrymple Heights
<i>Macropygia amboinensis</i>	Brown cuckoo-dove	LC	Both
<i>Malurus melanocephalus</i>	Red-backed fairy-wren	LC	Netherdale
<i>Manorina melanocephala</i>	Noisy miner	LC	Netherdale
<i>Megalurus timoriensis</i>	Tawny grassbird	LC	Netherdale
<i>Meliphaga lewinii</i>	Lewin's honeyeater	LC	Both
<i>Meliphaga notata</i>	Yellow-spotted honeyeater	LC	Dalrymple Heights
<i>Melithreptus albogularis</i>	White-throated honeyeater	LC	Both
<i>Merops ornatus</i>	Rainbow bee-eater	LC	Both
<i>Microcarbo melanoleucos</i>	Little pied cormorant	LC	Both
<i>Microeca flavigaster</i>	Lemon-bellied Flycatcher	LC	Netherdale

Scientific name	Common name	Status		Location
<i>Milvus migrans</i>	Black kite	LC		Netherdale
<i>Monarcha melanopsis</i>	Black-faced monarch	SLC	Mig	Dalrymple Heights
<i>Myiagra rubecula</i>	Leaden flycatcher	LC		Both
<i>Myzomela obscura</i>	Dusky honeyeater	LC		Dalrymple Heights
<i>Myzomela sanguinolenta</i>	Scarlet honeyeater	LC		Netherdale
<i>Neochmia temporalis</i>	Red-browed finch	LC		Netherdale
<i>Ninox novaeseelandiae</i>	Southern boobook	LC		Netherdale
<i>Nycticorax caledonicus</i>	Nankeen night heron	LC		Netherdale
<i>Ocyphaps lophotes</i>	Crested pigeon	LC		Netherdale
<i>Oriolus sagittatus</i>	Olive-backed oriole	LC		Both
<i>Pachycephala pectoralis</i>	Golden whistler	LC		Both
<i>Pachycephala rufiventris</i>	Rufous whistler	LC		Both
<i>Pardalotus striatus</i>	Striated pardalote	LC		Both
<i>Phalacrocorax sulcirostris</i>	Little black cormorant	LC		Netherdale
<i>Phaps chalcoptera</i>	Common bronzewing	LC		Netherdale
<i>Philemon corniculatus</i>	Noisy friarbird	LC		Netherdale
<i>Philemon citreogularis</i>	Little friarbird	LC		Netherdale
<i>Pitta versicolor</i>	Noisy pitta	LC		Both
<i>Platycercus adscitus</i>	Pale-headed rosella	LC		Both
<i>Psophodes olivaceus</i>	Eastern whipbird	LC		Both
<i>Ptilinopus magnificus</i>	Wompoo fruit-dove	LC		Both
<i>Ptilinopus regina</i>	Rose crowned fruit dove	LC		Netherdale
<i>Ptilinopus superbus</i>	Superb fruit dove	LC		Dalrymple Heights
<i>Rhipidura albiscapa</i>	Grey fantail	LC		Both
<i>Rhipidura leucophrys</i>	Willie wagtail	LC		Both
<i>Rhipidura rufifrons</i>	Rufous fantail	SLC	Mig	Netherdale
<i>Scythrops novaehollandiae</i>	Channel-billed cuckoo	LC		Both
<i>Sericornis frontalis</i>	White-browed scrubwren	LC		Dalrymple Heights
<i>Smicronis brevirostris</i>	Weebill	LC		Netherdale
<i>Sphecotheres vieilloti</i>	Australasian figbird	LC		Both
<i>Strepera graculina</i>	Pied currawong	LC		Netherdale
<i>Symposiachrus trivirgatus</i>	Spectacled monarch	SLC	Mig	Dalrymple Heights
<i>Synoicus chinesis subsp. victoriae</i>	King quail	LC		Dalrymple Heights
<i>Synoicus ypsilophorus</i>	Brown quail	LC		Netherdale
<i>Tachybaptus novaehollandiae</i>	Australasian grebe	LC		Netherdale
<i>Threskiornis molucca</i>	Australian white ibis	LC		Netherdale
<i>Threskiornis spinicollis</i>	Straw-necked ibis	LC		Netherdale

Scientific name	Common name	Status	Location
<i>Todiramphus macleayii</i>	Forest kingfisher	LC	Both
<i>Todiramphus sanctus</i>	Sacred kingfisher	LC	Netherdale
<i>Trichoglossus chlorolepidotus</i>	Scaly breasted lorikeet	LC	Netherdale
<i>Trichoglossus moluccanus</i>	Rainbow lorikeet	LC	Both
<i>Vanellus miles</i>	Masked lapwing	LC	Both
<i>Zosterops lateralis</i>	Silvereeye	LC	Both
Fish			
<i>Ambassis agassizii</i>	Agassiz's Glassfish	LC	Netherdale
<i>Anguilla reinhardtii</i>	Long-finned eel	LC	Both
<i>Craterocephalus stercusmuscarum</i>	Fly-specked hardyhead	LC	Netherdale
<i>Leiopotherapon unicolor</i>	Spangled perch	LC	Dalrymple Heights
<i>Mogurnda sp.</i>	Purple-spotted gudgeon	*	Netherdale
<i>Melanotaenia splendida splendida</i>	Eastern rainbowfish	LC	Netherdale
<i>Pseudomugil signifer</i>	Pacific blue-eye	LC	Both
<i>Poecilia reticulata</i>	Guppy	I	Netherdale
Crustaceans			
<i>Euatacus eungella</i>	Eungella spiny crayfish	E E	Dalrymple Heights
<i>Macrobrachium sp.</i>	Freshwater prawn	*	Both
<i>Cherax sp.</i>	Yabby	*	Netherdale
<i>Atyidae sp.</i>	Freshwater shrimp	*	Netherdale

## Flora species

Recorded during field surveys (up to 1 June 2024)

Family	Scientific name	Conservation Status		Location
		Qld	Cth	
Acanthaceae	<i>Brunoniella australis</i>	LC		Netherdale
Acanthaceae	<i>Pseuderanthemum variabile</i>	LC		Dalrymple Heights
Acanthaceae	<i>Rostellularia adscendens</i>	LC		Netherdale
Acanthaceae	<i>Thunbergia grandiflora</i>	I		Netherdale
Alismataceae	<i>Damasonium minus</i>	LC		Dalrymple Heights
Anacardiaceae	<i>Euroschinus falcatus var. falcatus</i>	LC		Netherdale
Anacardiaceae	<i>Mangifera indica</i>	I		Netherdale
Apiaceae	<i>Centella asiatica</i>	LC		Dalrymple Heights
Apiaceae	<i>Mackinlaya macrosciadea</i>	LC		Netherdale

Family	Scientific name	Conservation Status	Location
Apocynaceae	<i>Alstonia scholaris</i>	LC	Netherdale
Apocynaceae	<i>Alyxia magnifolia</i>	LC	Both
Apocynaceae	<i>Melodinus australis</i>	LC	Dalrymple Heights
